Combine the sensibility, dedication and accessibility of a hometown law firm with an aggressive, highly motivated, nationally acknowledged civil litigation and personal injury dream team and the outcome is Maggiano, DiGirolamo & Lizzi, PC. Selected as part of the trial team for the 30 injured workers in Tropicana's garage collapse, Founding partner Michael Maggiano, Managing partner Christopher Di Girolamo (selected by their peers this year as Bergen's Top Lawyers) and partner Michael Lizzi, invested three-and-one-half years, countless hours and hundreds of thousands of dollars in trial costs in pursuit of justice for their clients. In the end, their hard work and diligence paid off for a record construction accident settlement of \$101 million dollars.

Primarily specializing in personal injury and tort cases (ranging from construction accidents, medical malpractice, nursing home abuse and neglect and motor vehicle crashes), the firm has registered an impressive number of multi-million dollar victories since setting up practice in 1974. Maggiano is consistently listed among the top 1% of trial lawyers in the state of New Jersey and DiGirolamo and Lizzi in the top 5%.

"Our motto is to be there for our clients at all times and to be powerful advocates. We feel a personal responsibility to be advocates for our clients, and in order to do that we make a concerted effort to learn what the client was like before his or her accident or medical mishap from family members, friends and co-workers to adequately plead the case," states DiGirolamo.

In a time when many firms are tightening their belts, Maggiano, DiGirolamo & Lizzi has more than doubled their office building and has added \$300,000 in technological and IT advances. The firm is listed as one of the preeminent law firms in the country by the leading rating service Martindale-Hubbell.
