MAGGIANO, DiGIROLAMO, LIZZI & ROBERTS P.C.

Maggiano, DiGirolamo, Lizzi & Roberts is one of New Jersey's premier plaintiffs personal-injury firms. With a record of trial successes spanning three decades, the firm is renowned for empowering victims of all types of negligence — motor vehicle collisions, highway and premises liability, medical, hospital, nursing-home negligence, construction accidents, workers compensation, unsafe products and more. The firm has proven its expertise in representing burn victims and those with brain and spinal-cord injuries.

Maggiano, DiGirolamo, Lizzi & Roberts routinely secures settlements and jury awards in the seven figures on behalf of its clients. In January 2006 Michael Maggiano was co-trial counsel in a medical negligence case that resulted in a \$10 million settlement at trial.

Founding partner Michael Maggiano, an experienced and accomplished trial attorney, leads the firm. Defense and fellow plaintiff attorneys highly regard Maggiano, who is a past president of the Association of Trial Attorneys of America — New Jersey and an advocate member of the American Board of Trial Advocates. In 2004 he was a recipient of the Outstanding Trial Lawyer of the Year Award by Trial Attorneys of New Jersey, a professional organization representing both

sides of the trial bar. For the second consecutive year, his peers have named him one of the state's Top 100 Lawyers in New Jersey. Maggiano in 2005 was named among Ten Leaders of Civil Trial & Personal Injury Law and is listed in *The Best Lawyers in America*. He is a Certified Civil Trial Attorney by both the Supreme Court of New Jersey and the National Board of Advocacy.

WE ARE LEADERS IN COMPLEX PERSONAL INJURY LITIGATION.

This year Maggiano's partner, Christopher DiGirolamo, was also named a 2006 New Jersey Super Lawyer. DiGirolamo focuses on construction accidents and premises liability law. He is a member of the Plaintiffs' Liaison Committee in the construction litigation resulting from the Tropicana Garage Collapse at the Tropicana Hotel in Atlantic City, one of the worst disasters in construction history.

As an adjunct to his construction injury cases, DiGirolamo brings his trial experience to the field of workers compensation where he represents severely injured and disabled workers.

Both Maggiano and DiGirolamo lecture frequently on personal injury law for various bar groups.

Firm partners Michael Lizzi and Keith J. Roberts are accomplished trial attorneys who have won important verdicts and settlements for their broad base of clients. Keith Roberts has built an excellent reputation representing physicians and medical groups in health care claims and business-management issues.

Its highly rated web site, at www.maggianolaw.com, provides an excellent presentation of the firm's many accomplishments, its professionals and range of legal services.

With growing demand for its services and with a goal to uphold its highest quality of representation, Maggiano, DiGirolamo, Lizzi & Roberts uses the latest in legal technology and an array of experts from around the nation "to work with us in delivering the results our clients deserve," says managing partner Chris DiGirolamo.

What keeps Maggiano motivated? — "The greatest reward for a trial lawyer is when we can advance the law and also make a positive difference in someone's life."
