# A Day on Trial: A Roadmap for Trying the Workplace Injury Case

Register by  
April 30th  
& save!

*Hone your knowledge on the laws surrounding occupational health and safety.  
Learn how to litigate workplace injury claims from the masters.*

The legal issues stemming from construction accidents are numerous and complex. Accidents may involve collapsing scaffolds, falling off or through roofs, ladder injuries, defective machinery, malfunctioning tools, and more. At this full-day program, our distinguished panel of highly respected New Jersey personal injury attorneys and related experts will provide you with the roadmap you need to best deal with the many facets of a workplace injury claim. This is an invaluable opportunity to learn the ins and outs on the law of torts and damages in construction accident litigation.
